Financial Statements & Independent Auditors Report

**United Way of Benton & Franklin Counties** 

# INDEPENDENT AUDITORS' REPORT

Board of Directors United Way of Benton & Franklin Counties Kennewick, Washington

# Report on the Audit of the Financial Statements *Opinion*

We have audited the accompanying financial statements of United Way of Benton & Franklin Counties (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Benton & Franklin Counties as of December 31, 2023 and 2022, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of United Way of Benton & Franklin Counties and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Benton & Franklin Counties' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

# Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
  to fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures
  in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of United Way of Benton & Franklin Counties' internal control.
  Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Benton & Franklin Counties' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Notes to Financial Statements**

# **NOTE 1 - ORGANIZATION**

United Way of Benton & Franklin Counties collaborates to support a foundation for the well-being, safety, and academic success of children, from birth through middle school. Since 1958, our partnerships with donors, nonprofit organizations, businesses, and volunteers have continued to build a stronger community. Here's a snapshot of our impact in 2023:

30,000+ local children and their parents/caregivers received services through our grants to nonprofits including:

- 11,280 children and their families accessed food, shelter, diapers, and basic needs.
- 8,404 children received support for health, wellness, and academic success.
- 6,676 parents/caregivers were provided with training and support.

1,939 middle-schoolers received in-school support and 360 chronically absent students were mentored through our *Attendance Matters*® mentoring program. The goal of the program is to increase school attendance, which often also increases grades. Over half of mentored students, who had been absent 2-9 days per month at the start of the program, were no longer chronically absent at the end of the 2022-23 school year.

5,404 local children (ages birth through 5) received free books, mailed to their homes each month through our partnership with the **Dolly Parton Imagination Library**. To increase early literacy and kindergarten readiness rates, we raise funds to support 5 years of monthly books for each local infant who is enrolled.

\$481,850 in FEMA Emergency Food and Shelter funds to support urgent local needs were placed by our United Way, bringing the total to nearly \$1.5 million in these funds we've placed with local nonprofits over the last 6 years.

#### **Community Impact Funding Process**

We track the health and safety of our population on 21 key metrics and enrich this data through conversations with local nonprofits and governmental organizations to understand local trends and service gaps. This focuses our programs and grants. We completed funding for 17 local grants in June 2023. So, in April we issued an open call for proposals to fill priority gaps with 2-year grants (July 2023-June 2025). Volunteers evaluated grant applications against the published criteria to address our community's areas of greatest need aligned with measurable outcomes, built on a solid foundation of organizational financial accountability, and relevant experience. This process enabled our United Way to place 17 grants with local nonprofit organizations who deliver effective and efficient services within Benton and Franklin Counties. Accountability for results is supported by grantees reporting progress against the agreed-upon outcomes every six months.

#### **United Way Annual Campaign**

United Way solicits donations and campaign pledges from businesses and individuals living or working within Benton and Franklin Counties, Washington. The annual fundraising campaign is United Way's principal source of revenue and can be affected by economic conditions. A decrease in contributions could affect our ability to provide services to the community.

240+ not-for-profit organizations received gifts designated to them by local donors. As a service to donors, we provide the safe and convenient "Donor Choice Program." We ensure each agency designated to receive funds, is in good standing with the IRS, is registered with the Secretary of State as a 501(c)3 organization and complies with the USA Patriot Act.

#### **Grants and Contracts**

<u>Serve Washington Grants</u> – Our United Way received \$376,704 in 2023 and \$254,044 in 2022 in Serve Washington grants to support our *Attendance Matters*<sup>®</sup> mentoring program. These funds enable us to recruit, train, equip, and supervise AmeriCorps members who manage our mentoring programs to increase school attendance among chronically absent middle schoolers in 6 local school districts.

#### **Notes to Financial Statements**

# **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

# **Basis of Accounting**

The financial statements of United Way of Benton & Franklin Counties have been prepared on the accrual basis of accounting.

## **Financial Statement Presentation**

United Way of Benton & Franklin Counties reports information regarding its financial position and activities to two classes of net assets: with donor restrictions and without donor restrictions.

Net assets without donor restrictions – Net assets presently available for use by United Way of Benton & Franklin Counties at the discretion of management and the Board.

Net assets with donor restrictions – Net assets subject to donor restrictions that will be satisfied either by the passage of time or by actions of United Way of Benton & Franklin Counties. Some donor restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

# **Revenue Recognition**

United Way recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions upon which they depend have been met. A portion of United Way's revenue is derived from cost-reimbursable grants, which are conditioned upon certain performance requirements and/or the occurrence of allowable qualifying expenses. Amounts received are recognized as revenue when United Way has incurred expenditures in compliance with specific contract or grant provisions.

United Way recognizes revenue from administrative fees when the services are provided. The performance obligation of delivering this service is simultaneously received and consumed, therefore, the revenue is recognized over time.

United Way records fundraising income equal to the fair value of direct benefits to donors, and contribution income for the excess received when the event takes place.

# **Support and Expenses**

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. Gifts of cash and other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions, whose restrictions are met in the same reporting period, are reported as without donor restrictions.

Gifts of goods, services, or equipment are reported as without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as with donor restrictions. Absent explicit donor stipulations about how long those long-lived assets must be maintained, United Way reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. Total contributed goods, services, or equipment recognized as revenue amounted to \$149,538 and \$105,818 for the years ended December 31, 2023 and 2022, respectively.

#### **Notes to Financial Statements**

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Contributed Services**

United Way recognized contributed professional services in the amount of \$14,693 and \$23,738 for the years ended December 31, 2023 and 2022, respectively. Recognized contributed services were related to financial planning, and audit & accounting services.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Financial Instruments and Credit Risk**

United Way manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the United Way has not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give is limited due to high historical collection rates.

# **Functional Allocation of Expenses**

The costs of providing program services and other costs are reported on a functional basis in the statement of activities and changes in net assets and the statement of functional expenses. Accordingly, certain costs have been allocated among the program and support service centers that benefit from such costs. Payroll and related costs are allocated to functional cost centers based upon the time personnel devote to each cost center. Other costs are allocated based on reasonable estimates determined by management. All allocation methods are reviewed and revised when necessary to reflect changes in the nature, level of activities, and the delivery of services.

#### Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand, cash on deposit, and highly liquid short-term investments with maturity of 90 days or less at the time of acquisition. United Way regularly maintains cash balances in excess of federally insured limits.

# **Promises to Give**

Pledges for contributions are recorded when received and allowances are provided for amounts estimated to be uncollectible (see Note 3).

# Investments

Investments in equity securities with readily determinable fair market values and all investments in debt securities are presented in the financial statements at fair market value, with the resulting realized and unrealized gains and losses included in the statement of activities and changes in net assets. The United Way investment policy identifies an acceptable and appropriate investment strategy. Emphasis is placed on capital growth, preservation of purchasing power and diversification of risk.

# Land, Building, and Equipment

Land, building, and equipment with costs of \$1,500 or more are recorded at cost for purchased items and estimated fair market value for assets donated. Depreciation is determined using the straight-line method based on estimated useful lives of 3 to 35 years. Assets received with donor restrictions whose restrictions are met in the same year they are received are reported as without donor restriction. Gifts of long-lived assets or gifts of cash restricted to purchase long-lived assets without stipulations about how long the assets must be used are reported as without donor restriction.

## **Notes to Financial Statements**

# NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Fair Value of Financial Instruments**

United Way categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). If the inputs used in the determination of the fair value measurement fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement. Assets and liabilities valued at fair value are categorized based on the inputs to the valuation techniques as follows:

Level 1 - Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that United Way can access.

Level 2 - Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 - Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions as there is little, if any, related market activity.

Subsequent to initial recognition, United Way may re-measure the carrying value of assets and liabilities measured on a nonrecurring basis to fair value. Adjustments to fair value usually result when certain assets are impaired. Such assets are written down from their carrying amounts to their fair value.

Professional standards allow entities the irrevocable option to elect to measure certain financial instruments and other items at fair value for the initial and subsequent measurement on an instrument-by-instrument basis. United Way has not elected to measure any existing financial instruments at fair value. However, it may elect to measure newly acquired financial instruments at fair value in the future.

There have been no changes in the methodologies used on December 31, 2023 and 2022.

# **Income Taxes**

Under provisions of Section 501(c)(3) of the Internal Revenue Code, United Way is exempt from federal income taxes, except for net income from unrelated business activities. As of December 31, 2023 and 2022, United Way had no unrelated business activities subject to federal income tax.

Management has evaluated United Way's tax positions and concluded that United Way had taken no uncertain tax positions that require adjustments to the financial statements to comply with the provisions of ASC 740-10.

# Advertising

Costs incurred for advertising are expensed when incurred. Advertising costs for the years ending December 31, 2023 and 2022 were \$11,785 and \$17,145, respectively. In-kind advertising costs for the years ended December 31, 2023 and 2022 were \$13,336 and \$32,700, respectively.

## **Change in Accounting Principle**

United Way has adopted ASU 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which modifieds the measurement of expected credit losses. This new guidance was adopted utilizing the modified retrospective transition method. The adoption of this Standard did not have a material impact on the financial statements but did change how the allowance for credit losses is determined.

# **Notes to Financial Statements**

# NOTE 3 - CAMPAIGN PLEDGES RECEIVABLE

Campaign pledges receivable are composed of the following on December 31:

		2022			
Campaign pledges receivable	\$	717,760	\$	781,727	
Less allowance for uncollectible pledges		136,757		156,845	
Campaign pledges receivable, net	\$	581,003	\$	624,882	

The allowance for uncollectible pledges is based upon a historical average pledge loss and is adjusted for current economic factors as determined appropriate by management. The allowance is applied to the gross campaign, including donor designations.

# NOTE 4 - LAND, BUILDING, AND EQUIPMENT

Land, building, and equipment consisted of the following on December 31:

	2023		2022
Land	\$	52,000	\$ 52,000
Building		913,785	913,785
Equipment		241,119	239,585
	\$	1,206,904	\$ 1,205,370
Less accumulated depreciation		954,259	 910,439
Land, building and equipment, net	\$	252,645	\$ 294,931

Depreciation expense amounted to \$43,820 and \$52,195 for the years ended December 31, 2023 and 2022, respectively.

# NOTE 5 - COMMUNITY FUNDING AND DONOR DESIGNATIONS PAYABLE

#### **Community Funding**

United Way of Benton & Franklin Counties' Community Impact funding process includes an open bid invitation. Volunteers evaluate bids against minimum criteria which included, among others, alliance with the Community Impact Strategic Plan, meeting outcomes and prior experience. The open bid process is a multi-year funding cycle. Programs are evaluated to stated outcomes to determine funding continuation year.

Community funding payable consisted of the following on December 31:

	 2023	 2022
Community Impact funding	\$ 165,000	\$ 187,500

## **Notes to Financial Statements**

# NOTE 5 - COMMUNITY FUNDING AND DONOR DESIGNATIONS PAYABLE (CONTINUED)

# **Donor Designations**

Cash contributions and pledges designated by donors to specific organizations are considered agency transactions as defined by ASC 958. As such, United Way considers these amounts raised on behalf of others.

Donor designations payable consisted of the following on December 31:

	 2023		2022
Community Agencies	\$ 287,229	\$	189,180
Alexis de Tocqueville	167,364		220,674
Combined Fund Drive	 1,345		
	\$ 455,938	\$	409,854

# **NOTE 6 - NET ASSETS**

The establishment and maintenance of reserves is a prudent business practice. Adequate reserves without donor restrictions enable United Way to support strategic business practices, and to manage cash flow interruptions due to deficiencies in revenue attainment, larger than expected pledge receivable write-offs, business interruption with a major employer, or community disaster. The Board of Directors has designated net assets without donor restrictions for the following purposes:

# **Working Capital Fund**

The intent of the working capital reserve fund is to effectively manage and address current ongoing financial obligations such as budgeted expenses and agency and community services payments. The Working Capital Fund is fully funded.

# **Operating Reserve Fund**

The intent of the operating reserve is to meet the operating needs of the organization. Funds may also be used for unanticipated, unbudgeted operating needs not covered by annual revenue. The Operating Reserve Fund is fully funded.

# **Community Investment Reserve Fund**

This fund is used to meet strategic or emergent community needs identified by the Board of Directors. The Community Investment Reserve Fund is fully funded.

#### Capital Asset Fund

Amounts have been designated for new and replacement capital purchases as approved by the Board of Directors. In 2018, the Board approved additional funding for a major capital renewal project to renovate United Way's 25-year-old office and training center. The funding basis is \$100,000 and is funded at \$155,332 for the year ended December 31, 2022. The funding basis of \$100,000 was restored in 2023.

## **Notes to Financial Statements**

# NOTE 6 - NET ASSETS (Continued)

# **New Programs/Emerging Needs**

Amounts designated to this fund are for new programs and needs not covered by the current community impact funding process. This fund is not restricted to current United Way service providers. Multi-year provisional grants for a new program are permissible. A process separate from the routine annual allocations process is utilized to request, screen, and evaluate proposals, and recommend funding for new program areas. The funding basis shall be as designated by the Board of Directors.

# **United Way Quasi Endowment**

In 1991, the Board of Directors created a permanent fund where annual investment income from the quasiendowment funds would be used to underwrite the cost of administration, pledge loss, and fundraising expenses. This would allow the proceeds of an annual fundraising campaign to be utilized for community needs. Investment income from the United Way Endowment should be retained in the fund until the minimum endowment objective is reached. The board-designated endowment funds are included in net assets without donor restrictions. Donordesignated endowment funds are included in net assets with donor restrictions. The Board of Directors determines the funding basis.

# Strategic Initiative Fund

The strategic initiative fund was established in 2021 to fund direct community impact initiatives to fill gaps in services needed for long-term change in Benton and Franklin Counties. The strategic initiative fund is fully funded.

# **Community Impact Endowment Amount Available for Distribution**

In 2013, United Way received an endowed gift of \$442,064. Per the Endowment Policy, there were no earnings available for distribution for the year ended December 31, 2022. In 2023 earnings in the amount of \$32,407 were approved for distribution.

Net assets without donor restrictions are composed of the following on December 31:

# NOTE 7 - RETIREMENT PLAN

On July 1, 2020 United Way adopted the Columbia Basin Non-Profit Association 401(k) Qualified Retirement Multi-Employer Plan to provide employees with the opportunity to save for retirement on a tax-advantaged basis. Prior to July 1, 2020 United Way participated in a tax-deferred annuity retirement plan that was subject to the provisions of Section 403(b) of the Internal Revenue Code.

Employees of United Way meeting the prescribed length of service and age requirements are covered under provisions of the Plan. Nondiscretionary contributions were 5% of qualified compensation. United Way also provided a percentage match not to exceed 7% of qualified compensation. Total retirement plan expense was \$64,537 and \$58,290, respectively, for the years ended December 31, 2023 and 2022.

# **Notes to Financial Statements**

# **NOTE 8 - FAIR VALUE DISCLOSURES**

United Way uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. For additional information on how United Way measures fair value, refer to Note 2, Summary of Significant Accounting Policies.

# Financial Instruments Recorded at Fair Value

The fair values of available-for-sale investments are estimated based on quoted prices in active markets for identical assets. The following tables present the fair value hierarchy for the balance of the assets and liabilities of United Way measured at fair value on a recurring basis as of December 31:

# **NOTE 9 - ENDOWMENTS**

United Way's endowments consist of mutual funds, bond funds, and capital markets and were established for a variety of purposes. Its endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by generally accepted accounting principles (GAAP), net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

## **Notes to Financial Statements**

# **NOTE 9 – ENDOWMENTS (CONTINUED)**

# Interpretation of Relevant Law

The Board of Directors of United Way has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, United Way classifies net assets with donor restrictions as (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified as net assets with donor restrictions as is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the organization considers the following factors in deciding to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization

#### **Return Objectives and Risk Parameters**

United Way has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period(s) as well as board designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that provides a balance that will enhance total return while avoiding undue risk concentration in any single asset class or category. The performance goal of the Endowment shall be measured as time-weighted rates of return compared to appropriate capital market indices.

# Strategies Employed for Achieving Objectives

To satisfy its long-term rate of return objectives, United Way relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). United Way targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

# **Spending Policy**

It is the policy of United Way to maintain a minimum principal value plus annual contributions adjusted for inflation at the end of each calendar year. This is consistent with United Way's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return. Once each Endowment goal has been achieved distribution amounts will be calculated annually per the Board Approved Endowment Policy. There is a minimum distribution of \$5,000 to help stabilize endowed funds in the event of weak market results or deflation and will maintain low administration costs. In establishing this policy, United Way considered the long-term expected return on its endowment.

## **Notes to Financial Statements**

# **NOTE 10 - RELATED PARTY TRANSACTIONS**

United Way paid dues to the national organization, United Way Worldwide, of \$19,931 and \$43,840, respectively, for the years December 31, 2023 and 2022.

United Way received campaign contributions from members of its Board of Directors of \$66,373 and \$77,029, respectively, for the years December 31, 2023 and 2022.

# **NOTE 11 - LIQUIDITY AND AVAILABILITY OF RESOURCES**

United Way's financial assets available within one year of the statement of financial position date for general expenditures are as follows on December 31:

	2023	2022	
Cash and cash equivalent	\$ 1,219,053	\$ 1,489,012	
Campaign pledges receivable, net	581,003	624,882

Board designated	 4,274,106	 4,363,183	
Total amounts available for general expenditures within one year	\$ 719,205	\$ 678,583	

As part of the United Way's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. United Way invests cash in excess of cash flow requirements in short-term investments.

# **NOTE 12 - SUBSEQUENT EVENTS**

Subsequent events have been evaluated through June 11, 2024, which is the date the financial statements were available to be issued.
