Where's Dolly? Enjoy a Family-Friendly Event that Supports Our Local Dolly Parton Imagination Library

Richland, WA – [01/16/2025] – Get ready to put your detective skills to the test with the Where's Dolly? event, a fun and family-friendly activity designed to raise awareness and funds for the local Dolly Parton's Imagination Library program through the United Way of Benton & Franklin Counties. Starting now, participants are invited to explore the 20 participating businesses in The Uptown and surrounding area in Richland in search of hidden mini Dolly Parton cut-outs.

To join the adventure, players can either print a game sheet from home or pick one up at any of the participating locations. The objective is simple: spot the mini Dolly cut-out, inform the store staff at the register where Dolly is hiding, and earn a stamp on your game card.

Once you get 15 stamps, you'll be eligible to enter to win a prize at the Where's Dolly party on February 1st at 2:00 p.m. at Caterpillar Café.

If you collect all 20 stamps, you'll be entered for a chance to win the grand prize.

All completed game sheets must be turned into Adventures Underground by January 31 to be eligible for a prize. Please note that participants must be present at the party on February 1 to win.

Join us for this interactive event that supports your local United Way and Dolly Parton's Imagination Library – a program that provides free books to children in our community, fostering a love of reading from an early age.

For more information, including a list of participating businesses, ways to donate, and to print the game sheet, see attachment.

Thank you to RadCon, because of their sponsorship and support, 40 local kids will receive books in the mail every month for a whole year, that's 480 books being sent to homes in our area! For only \$25, you can gift an entire year of books to a local child. Together, we are building better futures for our local kids.

Don't miss out on the fun and a chance to win fantastic prizes while supporting a great cause and helping as many local children as possible have access to books at home.
