## A New Job. A New Opportunity.

**Congratulations on your new job!**

At United Way of Benton & Franklin Counties, we envision a community where all children have an opportunity to learn and thrive- where barriers such as hunger, homelessness, abuse, and social status have been removed.

Your gift makes this vision real. It advances early learning, enhances student success, and expands access to critical services that children and families need the most. Your support prepares local kids for school by sending parenting tips to families, putting books in the hands of our youngest learners, connecting elementary and middle school students with caring mentors, and providing essentials like food and diapers that lay the foundation for success.

Join us in making a lasting impact. Together, we can help young people realize their full potential.

Our Privacy Pledge to You: We will never share or sell any of your information. If you designate your gift, your information may be given to that agency unless you select otherwise on the front of this form. We may publish your name and/or company in recognition materials, unless you select otherwise.
